PROFILE

I am an experienced graphic designer who creates original and successful design concepts and engaging solutions in the areas of brand identity, print, packaging, interface design and digital media. My goal is to create good design as a form of conscious expression, taking into account small details and simplicity.

PROFESSIONAL EXPERIENCE

INSTITUTE OF IMPLANTOLOGY®

Graphic Designer, Oct. 2017 - Aug. 2023 (5 years and 11 months) • Lisbon - Portugal

Responsible for the creation of graphic and visual materials (printed, digital), in support of the marketing and communications department.

EXAGO

Graphic Designer, Jul. 2016 - Sep. 2017 (1 year and 3 months) Lisbon - Portugal

Responsible for the creation of graphic and visual material, in support of the marketing department and the IT department.

LUANDA AUTOMOBILE REGISTRY OFFICE

Civil Servant, Jan. 2012 - Jun. 2012 (6 months) Luanda, Angola

I collaborated with the Creation and printing of vehicle ownership titles service. My responsibility was to: Enter the data of the driver and his car into the system used.

FREELANCE

Graphic Designer, Jan. 2010 - Dec. 2011 (2 ans) Luanda, Angola
